What is the Chamber?

The Chamber is a non-profit business association that works with its members to achieve its goals. The mission of the Orchard Park Chamber of Commerce is to serve our membership as a catalyst -- the organization through which business and professional people work together for the common good of the community.

Who belongs to the Chamber?

The Orchard Park Chamber of Commerce is "people" - individuals, professionals and business firms creating a pool of resources from which ideas, energies and finances are drawn. Chamber programs provide the opportunity for members to accomplish as a group what they cannot as individuals.

What will the Chamber do for me?

A LOT! We can save you money through a variety of services and benefits offered to our members; increase exposure for your business, products and services; generate referrals and sales leads; and increase your bottom line. The Chamber sponsors programs that enhance the visibility of both your business and the community, creating a positive atmosphere in which to do business. We represent the business community's voice to government and work with legislators on all levels to improve the business climate. Our monthly newsletter will keep you informed about civic affairs, important legislative issues, community activities and other essential and helpful information relative to your business.
